About Me

Motivated Web Developer with hands-on experience in Laravel, PHP, MySQL, and WordPress. Skilled in graphic design (Adobe Illustrator & Photoshop). Experienced in backend development, CRUD operations, API integration, debugging, and Git version control. Passionate about learning new technologies and building innovative, user-friendly applications. Strong problem-solving, teamwork, and leadership abilities.

Work Experience

Web Developer – SoftHost IT | Dhaka (Remote)

Dec 2024 – Jan 2025

- Contributed to projects including Jewel Store BD, ERP System, BFH HostZone, Sarabela Distribution, 11 Mega Supermarket, Motiar Traders, SBSSL Khulna, MKB BsoftBD.
- Developed and optimized user-friendly interfaces.
- Implemented backend functionalities to improve system performance.

Junior Software Engineer – BD Coder IT Park | Khulna

July 2024 – Aug 2024

- Built and optimized CRUD operations for admin and user panels.
- Worked on CVIEDU – an Education Consultancy Management System.
- Developed dynamic content handling and backend logic in Laravel.

Web Development Intern – BetaCoders | Khulna

Oct 2023 – Feb 2024

- AI Chatbot (E-commerce Project): Developed Admin Panel with user & order CRUD using Ajax, package management with Datatable. Created User Panel with subscription, dashboard, chatbot customization, analytics, and logs. Implemented Helpcenter custom pages with Ajax and integrated SweetAlert.
- Touran (Tourist Management System): Created admin panel features for user, testimonial, event, and FAQ CRUD. Applied validation rules and structured dynamic database interaction.

Projects
